PROFESSIONAL SUMMARY

Freelance web and LMS developer delivering business websites, e-commerce stores, CRMs and Moodle platforms end to end for clients in India and the UAE. Combines development (React, PHP, Python, MySQL) with project coordination, so clients get one accountable owner.

CORE COMPETENCIES

- Business websites and e-commerce
- Custom CRM / ERP workflows
- Moodle LMS setup, themes and plugins
- SEO, GA4 and Tag Manager
- Hosting, domains, email and maintenance
- Client communication and fixed-scope proposals

PROFESSIONAL EXPERIENCE

Project Coordinator

Nov 2025 – Present

BIG Language Solutions · Noida, India

- Track project data, issues and timelines across multiple concurrent AI/ML data and evaluation workstreams.

Technical Project Coordinator (Contract)

Mar 2025 – Nov 2025

MRCC Group · Noida, India

- Delivered a national Moodle e-learning LMS for a government client end to end: requirement gathering, SRS drafting, development, UAT and go-live.
- Drove Moodle theme customisation and plugin development for client LMS engagements.
- Primary point of contact between client stakeholders and engineering, managing risk and expectations.

Junior Software Developer

Mar 2024 – Feb 2025

Bcloud Web Services Pvt. Ltd. · Noida, India

- Backend development in Python, PHP and MySQL, plus API integration.

Program Manager

Jan 2023 – Mar 2024

Kinetic Sage Technologies · Mathura, India

- Delivered client builds including the YFP Bikaneri e-commerce store and a real-estate property CRM.

SELECTED PROJECTS

- **MaxLift UAE** (Business website · Catalogue, maxliftuae.com): A product catalogue site for a lifting and material-handling equipment supplier serving construction, marine, offshore and industrial clients across the UAE.
- **YFP Bikaneri** (E-commerce, yfpbikaneri.com): An online store for traditional Indian sweets and namkeen, with category browsing, combos and festive collections.
- **Script Works & Braille** (Accessible services website, scriptworksnbraille.com): A website for an accessible-content studio offering dubbing scripts, audio description, captioning, Braille and screenplay writing.

EDUCATION

- **B.Tech, Computer Science Engineering**, GL Bajaj Group of Institutions (2021 – 2025)
- **Senior Secondary (XII), PCM**, Kendriya Vidyalaya (2020 – 2021)

CERTIFICATIONS & ACHIEVEMENTS
